

Employee Handbook

NovaTech Solutions

Amman, Jordan

Effective Date: January 2026

1. General Employment Information

NovaTech Solutions provides equal employment opportunities to all qualified applicants and employees.

The standard probation period for newly hired employees is three months.

Employees work from Sunday through Thursday.

The official working hours are from 9:00 AM to 5:00 PM.

Friday and Saturday are the official weekend days.

Employees must notify their direct manager as early as possible when they cannot attend work.

Employees must provide a resignation notice at least 30 calendar days before leaving the company.

The official company dress code is business casual.

2. Employee Leave and Benefits

Full-time employees receive 21 paid annual leave days per year.

Annual leave requests must be submitted at least five working days before the requested leave date.

Employees may carry forward a maximum of five unused annual leave days to the following year.

Employees receive 14 paid sick leave days per year.

A medical certificate is required when sick leave exceeds two consecutive working days.

Eligible employees receive 70 calendar days of paid maternity leave.

Eligible employees receive three paid working days of paternity leave.

Employees may receive up to three paid emergency leave days per year with manager approval.

Employees may request unpaid leave for a maximum period of 30 calendar days.

Full-time employees receive health insurance after successfully completing the probation period.

The company covers 80 percent of the employee health insurance premium.

3. Information Security and Equipment

Employees must use strong passwords and must not share passwords with other individuals.

Employees must lock their computers whenever they leave their desks.

Confidential company information may only be accessed for authorized business purposes.

Customer information must not be copied to personal devices or personal cloud storage.

Suspected security incidents must be reported to the Information Technology department immediately.

Company laptops and equipment must be used primarily for authorized business activities.

Lost or damaged equipment must be reported within 24 hours.

Employees must return all company equipment when their employment ends.
